

ZOETIS DIAGNOSTICS

# vetscan Imagyst®

## Digital Cytology

### Revolutionizing the way you get cytopathology results

Vetscan Imagyst® offers board-certified clinical pathologist insights with flexible result delivery options — for a fast second opinion whenever clinically warranted.

Part of the unique, multi-use Vetscan Imagyst platform from Zoetis

#### Accelerated access **assists with better clinical outcomes**

- ✓ Expert analysis of a wide range of specimens across all species
- ✓ Actionable answers that enable treatment decisions sooner
- ✓ Two review options — Standard or Urgent — to fit case and clinic needs

#### Digital image transfer **simplifies the expert review process**

- ✓ Easy, in-clinic preparation of samples and slides
- ✓ Confirmation of image upload within minutes
- ✓ Digital submission eliminates risk of slide damage or loss

#### Expert support **provides a valuable service**

- ✓ Offers your patients specialist-level care in your clinic
- ✓ Reduces wait times and the anxiety waiting causes
- ✓ Clinical consultations available for additional guidance
